Your PhoneWatch Invoice Explained

This section displays PhoneWatch's top safety tips for keeping you and your family safe

PHONEWATCH SAFETY TIPS

- Arm your alarm, whether you're home or away. Remember, you're 4 times safer with PhoneWatch, but only when you arm your alarm*
- Don't update Social Media about your holiday plans
- Manage your spare keys, don't keep them outside. Give them to a trusted neighbour
- Close your windows & lock your doors when you're not home
- Always keep in mind home fire safety, develop a fire safety plan for you and your family

* When compared to the national burglary rates reported by the Central Statistics Office (CSO), you are 4 times less likely to experience a break in as a PhoneWatch customer
